Because Of You

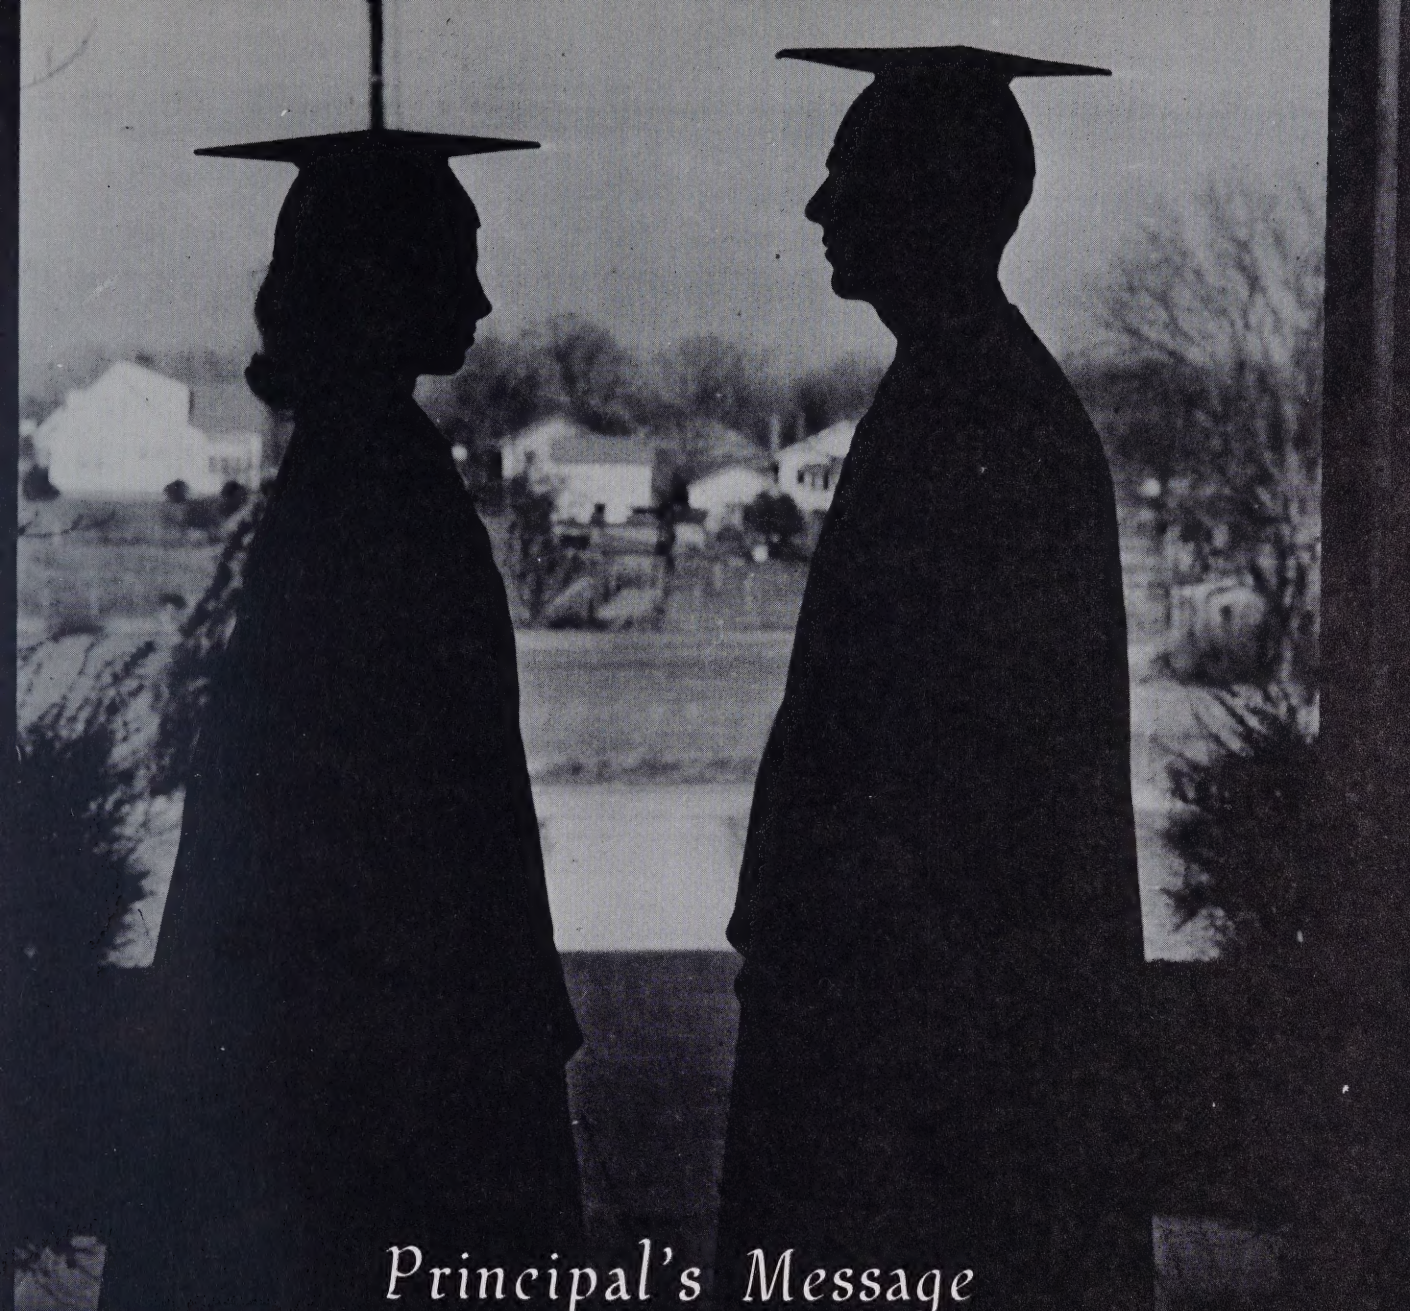

DEDICATION

We, the Senior Class of 1960, humbly dedicate the first edition of *The Legend* to those who have long deserved the honor.

It is but a humble effort to show our appreciation and heartfelt thanks for their co-operation and interest in both our activities and us.

Thus, it is with sincere devotion that we dedicate our yearbook to you . . .

OUR COMMUNITY

Principal's Message

Roy C. Parker

The purpose of an education is to help you do a better job of whatever you choose as your life's work. An education should teach you to think, plan, and work in a way that will benefit you and your fellow man. An education releases the wisdom of the ages to be used for a better today.

The wisdom of God is shown in that He left the world unfinished that you might have the interest and delight in taking the raw materials and putting the world together.

He left fields unplowed and unplanted. He left music unwritten, poetry undreamed, inventions unapplied, and cities unbuilt.

He left the oil in the trap rock, the aluminum in the soil, the paper in the trees, and the electricity in the clouds.

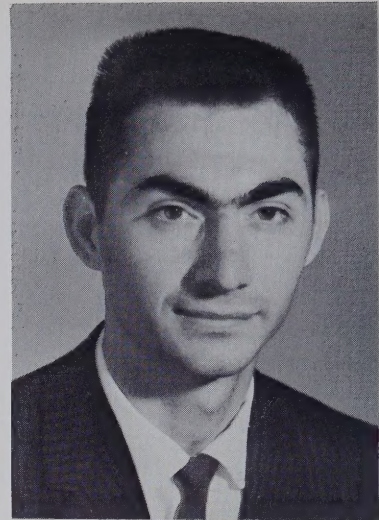

He left mind and character unperfected that we might really be the children of God-created in His image, with latent powers to take the raw materials and put the world together.

Your education is the guide and blueprint for mastering the place that God has left just for you to fill. It will be up to you to fulfill these dreams and live an enriched, happy life.

Thoughts In Parting

It hardly seems reality
That it is time to go;
To leave good old Buie's Creek,
And scatter to and fro.

For years we've lived within your walls,
But this we'll do no more
Our lives, when we descend your stairs,
Will not be as before.

You taught us what it means to work,
And what it means to play;
You gave us the rules of the game of life,
To follow on life's way.

With this in mind we leave you now,
To go forward on our own,
Saying "Thank You" once again,
For all the things you've done.

Within our hearts there'll ever be
A warm spot for you;
And to your highest standards we
Will ever remain true.

We promise that in future years
Our efforts will not cease,
To let God our guardian be,
And our goal be peace.

Forever, dear Buie's Creek
Your memory will live on;
And all we ask is that you won't
Forget us when we're gone.

Class Prophecy

The end of my twelve years at Buie's Creek School has come. Soon I will be graduating with the rest of my classmates. There was so much excitement before our program tonight that I felt I must get away for a few minutes. I decided to take a walk down to the familiar playgrounds. There the air was cool and the stars were dimly visible in a hazy-blue sky.

I sat, so completely relaxed, watching one star, which seemed so bright. Suddenly, my star began to fall slowly. I thought, if you make a wish on a falling star it will come true. I closed my eyes and then I heard a voice.

"Your wish, my child, what will it be?" There before me was a tiny old woman.

Then, I replied, "Let me see our class ten years from tonight. "With a laugh, she placed a crystal ball in my hand and said, "So be it done." As I looked curiously at the crystal ball, I could hardly believe my eyes.

There I saw that Shirley Johnson has her own beauty shop, and is known for her attractive and original hair styling.

Lavern Gaskin has won top honors in the stock car races at Daytona Beach, Florida.

Christine Stewart is now chauffeuring her favorite patients at Highsmith Hospital around in her 1970 Buick.

Stanley Weaver is now head architect of his own construction company.

Sue Ross is living in Florida. Her Book, "Love and Marriage, In 10 Easy Lessons," is one of the year's best sellers.

Phillip Turlington is now a four star general in the Air Force, and has become one of the nation's heroes.

Larry Jones has bought a 200 acre farm and another new Ford. He's still unmarried, but girls, that tall, blond fellow is really an attraction.

Jean Pearce is married to a local farmer and is living a quiet country life.

Eddie Taylor is now serving time for non-support of his 10 kids.

Ardythe Savage is now serving North Carolina's governor as personal secretary. Her typing skill is really paying off.

Larry Currin is now raising cotton and Currin's on his one acre estate.

D. C. Davis is now teaching Physical Education at Coats High School.

Julia Lane seems quite happy in Newport with her gas station and diner, which specializes in "Southern Cooking."

Larry Stewart is now a highway patrolman, and is getting paid for speeding up and down the highways.

There is much talk of a Third World War since the Big Four: Jo Ann Matthews, Phyllis Turlington, Patsy Gregory, and Linda Denning have taken over the United Nations' Affairs.

Wonder why there are so many new teachers at Buie's Creek School since Buddy Upchurch has become Superintendent of Harnett County public schools?

I suppose you wonder what the crystal ball holds for me. My, it looks interesting, but right now, as you can see, I'm too busy with the future of my classmates.

The sky was bright and clear. I could faintly hear someone calling my name. Had I only been dreaming, or had the fantastic experience been real? I cannot say because, in my hand I still have a tiny crystal ball.

Patricia Matthews
Class Prophetess

Last Will And Testament

We, the Senior Class of 1960, realizing that we have attained our goal of graduation and wishing to bequeath some of our many talents to those left behind, do publish and declare this document to be our Last Will and Testament in this year of our liberation.

SECTION I

To Mr. Parker, our principal, we leave our many thanks to his unerring guidance through this, our Senior year.
To the faculty we leave our love and devotion for the many times they have raised our grades that necessary point.

SECTION II

To the Junior Class we leave our "Backstage Annual Room."
To the Sophomore Class we leave our ability to raise money.
To the Freshman Class we leave our energetic spirits and contrary dispositions.

SECTION III

Larry Currin leaves his road map to Lillington to Emory Upchurch.
Linda Denning leaves her love of laughter to Wanda Matthews.
David Davis leaves his ability to grow long hair to Roger Baker.
Patsy Gregory leaves her freckles to Joyce Newton.
Lavern Gaskin leaves his spot of grey hair to all the teachers at Buie's Creek.
Shirley Johnson leaves her ability to keep the office and worry Mr. Parker to anyone who can stand the strain.
Julia Lane leaves her desire to get married to Frances Turlington.
Larry Jones leaves his ability to pick out a car to anyone who will pick a Ford.
Jo Ann Matthews leaves her ability to get along with "Sophomores" to Linda Chappell.
Patricia Matthews leaves her ability to get out of class to Sharon Jones.
Jean Pearce leaves her love of history to Kenneth Stewart.
Sue Ross leaves her ability to go steady to Sallie Arrington.
Larry Stewart leaves "Private" to Buie's Creek High School because "Sergeant" is a '60 graduate.
Ardythe Savage leaves her quiet ways to Lynda Wilder.
Christine Stewart leaves her love of a good time to Brownie Kennedy.
Edde Taylor leaves his camera and all of the troubles that go with it to Ben Stewart.
Phyllis Turlington leaves her interest in the Armed Forces to Tenna Garland.
Phillip Turlington leaves his ability to drive to Benny Turlington.
Buddy Upchurch leaves his "hunt and peck" system in typing to anyone who can "hunt and peck!"
Stanley Weaver leaves his "crutches" to Buddie Brown.

SECTION IV

I here proclaim that these afore-mentioned acts are the Last Will And Testament of the Class of Nineteen Hundred and Sixty.

Sue Ross, Testatrix
Julia Lane, Witness
Lavern Gaskin, Witness

History of the Class of 1960

There were eight members of the '60 graduating class that began in the first grade and remained the complete twelve years. These were David Davis born in Dunn, September 16, 1942; Larry Jones born in Dunn, September 28, 1942; Stanley Weaver born in Dunn, April 26, 1942; Linda Denning born in Buie's Creek, April 10, 1942; Patsy Gregory born in Tocora, Georgia, November 24, 1941; Patricia Matthews born in Buie's Creek, January 28, 1942; Christine Stewart born in Buie's Creek, February 22, 1942 and Phyllis Turlington born in Dunn, June 21, 1942.

Larry Currin born in Dunn, September 7, 1942, joined us in the second grade after attending school at Angier. Buddy Upchurch born in Erwin, August 10, 1942, joined us for three months in the second grade, left and came back in the sixth. He attended school at Newport News and Norfolk.

The third grade brought us Julia Lane born in Erwin, June 12, 1940, and Jo Ann Matthews born in Angier, January 1, 1942. Jo Ann left us in the sixth grade and returned in the eighth. She attended Raleigh and Lillington schools.

Lavern Gaskin born in Buie's Creek, February 21, 1941, joined us in the fourth grade and Phillip Turlington born in Dunn, June 22, 1941, joined us in the fifth grade.

Shirley Johnson born in Angier, February 9, 1941, joined us in the seventh grade after attending Coats and Angier schools.

Edde Taylor born in Smithfield, June 27, 1942, came in the eighth grade after attending school there.

Jean Pearce born in Youngsville, September 30, 1942, and Larry Stewart born in Erwin, April 20, 1941, joined us in the ninth grade. Jean attended school at Wilson.

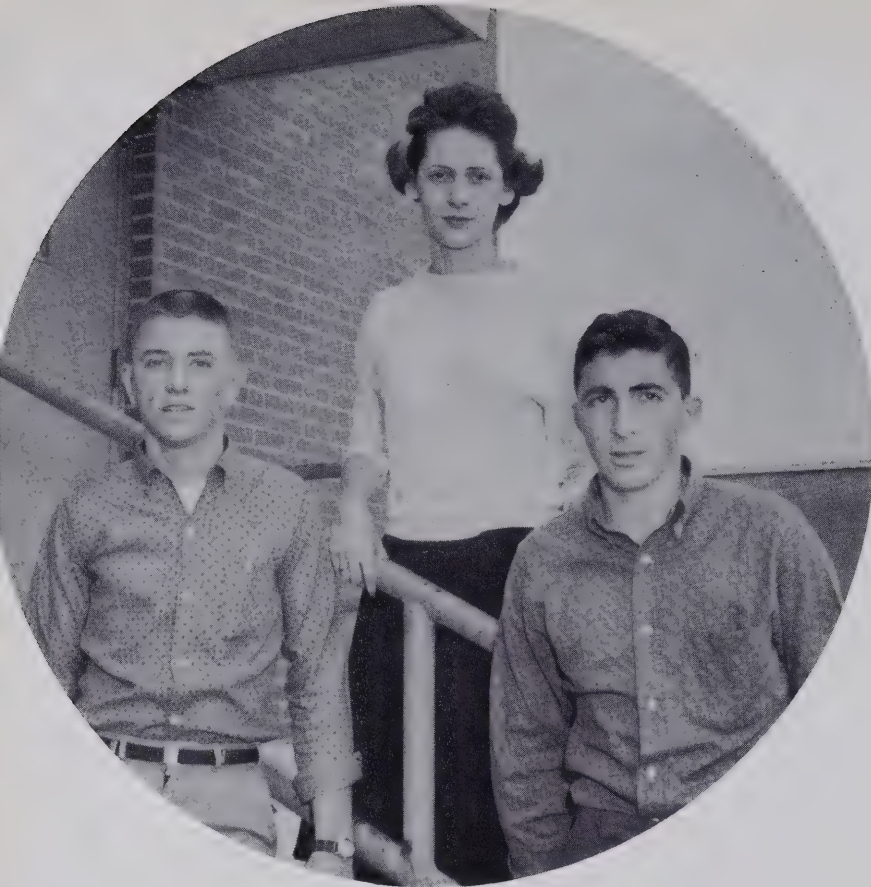

Ardythe Savage born in Rose Hill, June 3, 1941, and Sue Ross born in Henderson, December 23, 1942, joined us in the twelfth grade. Ardythe attended school at Wallace-Rose Hill before she came to Buie's Creek.

The hi-lights of our twelve years have been many, but those that shine brightest are our money raising projects, our trip to Washington and New York, the Junior Senior Banquet and Prom, "Song-in-my-Heart," our Junior Play, "Mountain Gal," our beloved mascot and classmate, "Sergeant", and the fact that we, the graduating class of 1960, are the first class to have completed twelve years of study at Buie's Creek School.

We, the Senior Class of 1960, are making the last attempts to cross the first big mountain range of our life. As we stand on this final summit and look from the dusty path we have trod to the hazy clouds of the future, we are filled with eagerness to encourage each of you elementary students to "always strive to reach your summit of success." For big mountains of years ahead seem to have a tendency to level off into everyday prairies when you get right up on them.
